ONE...TWO...THREE STRIKES.....YOU ARE OUT!! EXCESSIVE NOISE CURFEW IS 11pm! Hey, we all enjoy a party just as much as the next guy but, some of them during the Challenge in the Hills weekend get a little out of hand. We have competitors who need to get some sleep in order to handle the races. THEY'RE OUR SHOW! Our club members need to get their rest to be able to handle the event & there are campers who come to enjoy watching the races as well as have a good time, but know when it is time to call it a day. For those who don't, here is the plan. If security gets a complaint about your party getting out of hand, rest assured it will be checked out & you will be notified, If the complaint is lodged a 2nd time, the warning to quiet it down will be your last chance, If your campsite has to be visited a 3rd time, your group will be escorted off the grounds. NO CAMPGROUND CRUIZIN'!!

NOT RESPONSIBLE FOR ACCIDENTS!
ABSOLUTELY NO FIREARMS PERMITTED ON THE GROUNDS!
